2023 Seaside LeMans!

We had such a fun time being a part of the 2023 Seaside LeMans Race! Over \$9 million has been given to Cape Cod non-profits since this race began in 2001. We feel so fortunate to have been selected as a beneficiary for the 2023 event. Learn more about the Seaside LeMans [here](#).

Thank you to the Davenport Companies, all of the sponsors, drivers, and volunteers that made this event possible!

School Trips Begin This Week!

Our fall season kicks off this week with our first round of School Trips! We're eager to continue our mission of bringing students out of the classroom and into the beauty of nature.

Each year we host local 4th-8th grade classes on Penikese Island for a day of exploring and learning about the geography of the Elizabeth Islands, the varied history of Penikese, the ecology of the intertidal zone, human impacts on the environment, and more!

If you know of a school group that would like to visit Penikese, [contact us!](#)
